

## **Walking and Biking Through Minnesota Winters**

*An exploration of recommendations and best practices for encouraging year-round non-motorized transportation*

**May 21, 2010 – 9 to 11 a.m.**  
**Hiway Federal Credit Union**  
**840 Westminister Street, St Paul, MN 55130**

The North Central Section of the Institute of Transportation Engineers (NCITE), Bike Walk Twin Cities, and Transit for Livable Communities will host a course to highlight and explore design and maintenance best practices for encouraging year-round non-motorized (walking and cycling) transportation in Minnesota. The course will include specific exploration of design, maintenance, and operations practices in similar winter climates

At the conclusion of this course, participants should be able to:

- 1) Understand the specific characteristics and needs of pedestrians and cyclists as components of traffic.
- 2) Understand the impacts of winter conditions, and of design, maintenance and operations practices on users of non-motorized transportation.
- 3) Describe strategies that can be used to improve conditions for users of non-motorized transportation during the Minnesota winters.
- 4) Apply design, maintenance and operations strategies to improve year-round non-motorized transportation options.

This course will be presented by

**Antonio M. Rosell, P.E.**

MURP, Director, Community Design Group, LLC, Minneapolis, MN

This course is estimated to provide 1.5 hours of PDH credit.\*

### **RSVP/registration is required**

The cost of attendance for this course will be \$15 for NCITE members and \$20 for non-members to be paid at the door. Snacks and beverages will be provided.

Space for this course is limited. Please contact Paul Morris ([pmorris@srfconsulting.com](mailto:pmorris@srfconsulting.com)) on or before Friday, May 14th to register.
